Sawdust Charcoal

TNG Export specializes in premium BBQ charcoal for global markets.

Our White Binchotan, carbonized at 1000°C using kilns, offers 5–7 hours of smokeless, odorless burning with white ash. Our Sawdust Briquettes provide high heat and easy ignition, ideal for BBQ restaurants.

All products are FSC certified, JAS compliant, and 100% SGS inspected before shipment.

*Full export documents provided: Vinacontrol Test Report, C/O, Phytosanitary & Fumigation

OUR EXPORT SOLUTIONS

We Handle The Risks, You Get The Charcoal

1. QUALITY RISK: "Fake test report, high ash content"

→ We test every batch at Vinacontrol before loading. Original certificate + video of sampling sent to you. Fixed Carbon $\geq 75\%$, Ash $\leq 3\%$ guaranteed. If not match, we accept return.

2. SHIPPING DELAY: "Unstable supply, miss BBQ season"

→ Factory capacity 500MT/month with 3 kilns. We own raw material forest. Located 30km from Hai Phong Port. Load container within 3 days after 30% T/T deposit.

3. DOCUMENT HASSLE: "Wrong C/O, goods stuck at customs"

→ We provide full export docs: C/O form VJ/AJ, Phytosanitary, Fumigation, MSDS, Bill of Lading. 200+ containers cleared Japan/Korea with 0 customs issues.

4. COMMUNICATION: "No reply after payment"

→ Dedicated sales team fluent in English/Japanese/Korean. WhatsApp/WeChat reply within 2 hours. We update production photos + container loading video for you.
